

SPA CONSENT FORM

A Spa experience promotes health, wellness, and healing. There are a lot of medical claims that spa treatment will help in many kinds of medical conditions. There are still risks in this type of treatment and the therapists or the physician will explain everything to you.

There are a lot of benefits that you will get from this type of alternative medicine. However, we would like to inform you that these treatments don't claim any therapeutic assurance.

All data that we gather from this form will be kept confidential and will not be released to anyone without your consent.
