

PROOF APPROVAL FORM

This form signifies the final approval of the proof by the client and serves as authorization for further production or implementation.

Please review the proof carefully before signing and returning this form. Thank you.

Project Information			
Project Title	First Name	Last Name	Email Address

I hereby confirm that I have reviewed and approve the proof for the Project named above. I acknowledge that this proof accurately represents the final version of the project to be delivered.

I confirm the following:

- Text and content accuracy
- Design elements (layout, colors, fonts, etc.)
- Images, graphics, and illustrations

I understand that any additional changes made after this approval may result in extra costs and delays.

By signing below, I agree that the proof meets my expectations and requirements for the project.
